Wikarena Wihapi - Leader of Te Kura Teina Y1-8, Yr7&8 Teacher

Tēnā koutou!

Ko Tawhitirangi te maunga

Ko Mohaka te awa

Ko Takitimu te waka

Ko Waipapa-ā-iwi te marae

Ko Ngati Kahungunu te iwi

Ko Ngati Pahauwera Te hapū

Nō Wairoa ahau

Ko Wikarena Wihapi taku ingoa

Kia Ora koutou, my name is Wikarena Wihapi from Wairoa, Hawkes Bay, now living in Kaitaia. I am the new teacher in Akomanga 5 for the Year 7/8 students. My other roles include leading the Junior Syndicate and assisting with ICT. My interests include table tennis, badminton, bowls, tennis, computers, Pickleball and Kapa Haka, and I am partial to the sea delicacy, pāua! I am completing my Masters Studies this July, which helps me to critically think about best practice in my classroom utilising technology and modern learning pedagogy for the students in my classroom, your tamariki. I will need parent support, and I would greatly appreciate the forms that the students bring home being sent back to allow me to collate anonymous data as I pursue this endeavour.

I look forward to meeting you in the future. Feel free to sign into the office and visit anytime.

Ngā Mihi.

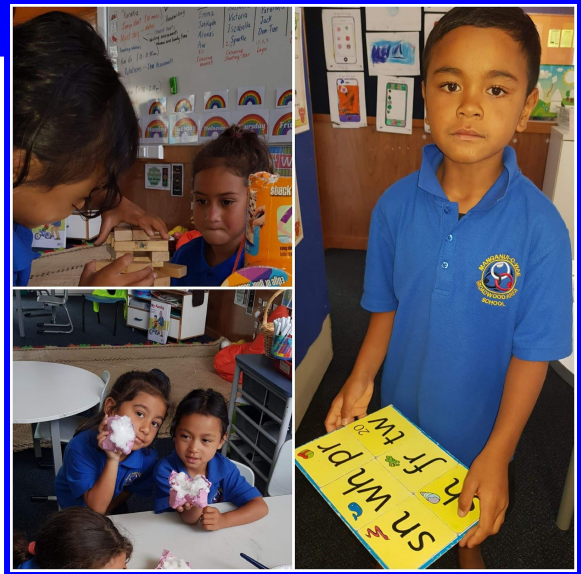

Some Statistics work? Or a chance for a kai? What does our class think about the various flavours of popcorn?

Yr 4-6

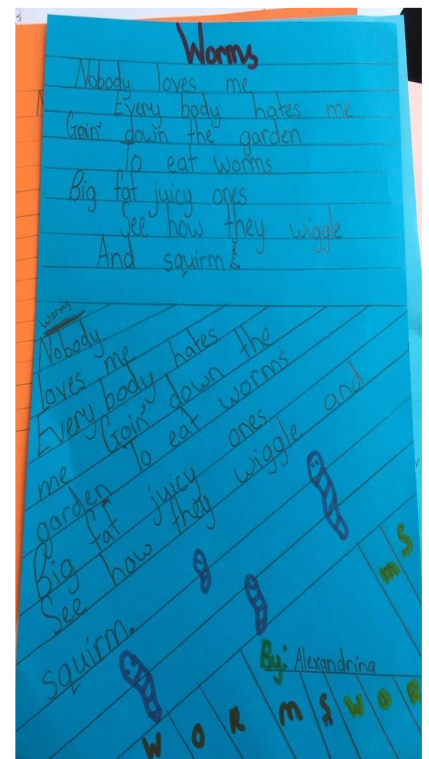

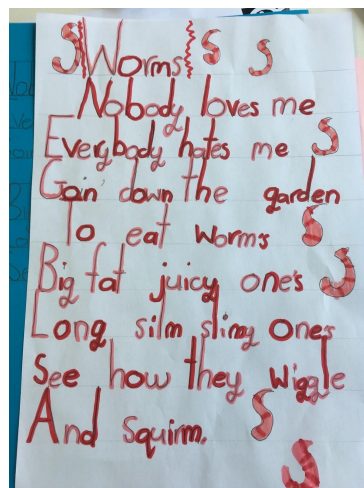

Kia ora whanau. We welcome back the Fenton whanau to our kura teina and all new students to Manganuiowae. We also welcome the Year 4s to Akomanga 3. It has been a busy couple of weeks settling back into the classroom, establishing routines and responsibilities.

They also entered the Junior section in the A&P Show for Handwriting.

Sports Academy

“To use sport as the vehicle to educate, provide support, encouragement and guidance to our rangatahi in their pursuit of personal development through discipline and hard work”

These are the words used to encapsulate our Sports Academy here at Broadwood Area School and it has been exactly that in the first two weeks. The programme looks like this in a week:

- Mondays and Wednesdays: strength and conditioning, speed and agility aerobic/ anaerobic endurance, finishing off in the pool with a warm down.
- Tuesdays: basketball with specialist coach George Smith.
- Thursdays: skills development; Waka Ama with Hone Tamati. We are on the water if the tide is right and fits in with our timetable for the day.

Next week we will have Maryanne Connor from Hokianga Health coming in to do health checks in order to track our Sports Academy students' health and progress over the year.

Nga mihi,

Matua Gary
